RADIUS INTERNATIONAL, INC. is a licensed Non-Vessel Operating Common Carrier (NVOCC) by the Federal Maritime Commission (FMC), operating under FMC Organization Number 021416.

Carrier has opted to publish its Tariff rates and charges or in the alternative to be exempt from tariff publication requirements pursuant to 46 CFR §§520, 531 and 532. In that respect Carrier has opted for use of Negotiated Rate Arrangements ("NRAs") and may also opt to utilize NVOCC Service Arrangement ("NSAs"). NRA means the written and binding arrangement between an NRA shipper or consignee and an eligible NVOCC to provide specific transportation service for a stated cargo quantity, from origin to destination on and after receipt of the cargo by the NVOCC or its agent or the originating carrier in the case of through transportation. The shipper is considered to have agreed to the terms of the NRA if the shipper: (1) provides the NVOCC with a signed agreement; (2) sends the NVOCC a written communication, including an e-mail, indicating acceptance of the NRA terms; or (3) books a shipment after receiving the NRA terms from the NVOCC, if the NVOCC incorporates in the NRA quoted terms the following text in bold font and all uppercase letters: **"THE SHIPPER'S BOOKING OF CARGO AFTER RECEIVING THE TERMS OF THIS NRA OR NRA AMENDMENT CONSTITUTES ACCEPTANCE OF THE RATES AND TERMS OF THIS NRA OR NRA AMENDMENT."** The effective date of the NRA shall be the date of Carrier's receipt of Shipper's and/or Consignee's acceptance herein. All applicable origin, destination local terminal and/or port charges shall apply to all NRAs and should be considered as a pass-through. Rates may not be modified in an NRA after the time the shipment is received by the Carrier or its agent (including originating carriers in the case of through transportation). NRAs can otherwise be amended by the parties in writing or by acceptance of the quoted NRA amendment by booking the cargo.

Carrier has opted to be exempt from tariff publication requirements pursuant to 46 CFR §§520, 531 and 532. In that respect Carrier has opted for use of Negotiated Rate Arrangements ("NRAs") and may also opt to utilize NVOCC Service Arrangement ("NSAs"). NRA means the written and binding arrangement between an NRA shipper or consignee and an eligible NVOCC to provide specific transportation service for a stated cargo quantity, from origin to destination on and after receipt of the cargo by the NVOCC or its agent or the originating carrier in the case of through transportation. The shipper is considered to have agreed to the terms of the NRA if the shipper: (1) provides the NVOCC with a written acceptance of the NRA; (2) sends the NVOCC a written communication, including an e-mail, indicating acceptance of the NRA terms; or (3) books a shipment after receiving the NRA terms from the NVOCC, if the NVOCC incorporates in the NRA quoted terms the following text in bold font and all uppercase letters: **"THE SHIPPER'S BOOKING OF CARGO AFTER RECEIVING THE TERMS OF THIS NRA OR NRA AMENDMENT CONSTITUTES ACCEPTANCE OF THE RATES AND TERMS OF THIS NRA OR NRA AMENDMENT."** The effective date of the NRA shall be the date of Carrier's receipt of Shipper's and/or Consignee's acceptance herein. All applicable origin, destination local terminal and/or port charges shall apply to all NRAs and should be considered as a pass-through. Rates may not be modified in an NRA after the time the shipment is received by the Carrier or its agent (including originating carriers in the case of through transportation). NRAs can otherwise be amended by the parties in writing or by acceptance of the quoted NRA amendment by booking the cargo.

Rule 2A:	Application of NRAs and Charges

Effective: 25MAY2022 Thru: NONE Expires: NONE Publish: 25MAY2022

1. NRAs are stated in terms of U.S. Currency and or local currencies, as applicable, and apply per 1 Cubic Meter (M) or 1,000 Kilos (W), as indicated, whichever basis yields the greater revenue, except as otherwise specified. Where the word "Weight" or the letter "W" appears next to an article or commodity, weight rates are applicable without regard to measurement. Where the word "Measurement" or the letter "M" appears next to an article or commodity, measurement rates are applicable without regard to weight. NRAs and other charges shall be based on the actual gross weight and/or overall measurement of each piece or package, except as otherwise provided. NRAs indicated by W/M or WM are optional weight or measurement rates and the rate yielding the greater revenue will be charged.
2. Except as otherwise provided, all "Port" (i.e., Port-to-Port) rules published herein apply from/to places where the common carrier originates or terminates its actual ocean carriage of cargo. Tolls, Wharfage, Cost of Landing, and all other expenses beyond the port terminal area are for account of Owner, Shipper or Consignee of the cargo and all such expenses levied in the first instance against the Carrier will be billed in an equal amount to the Owner, Shipper or Consignee of the Cargo. NRAs are applicable from Inland Points which lie beyond port terminal areas. Such NRAs shall be inclusive of all charges pertinent to the transportation of cargo and not including Customs clearance assessments or Forwarding Charges, except as provided in each individual NRA. Alternatively, at shipper's or consignee's request, carrier will arrange for inland transportation as shipper's or consignee's agent. All associated costs will be for the account of the cargo. Overland carriers will be utilized on an availability of service basis and not restricted to any preferred Carriers except as Ocean Carrier deems necessary to guarantee safe and efficient movement of said cargo. Carrier shall not be obligated to transport the goods in any particular type of container or by any particular Vessel, Train, Motor, Barge or Air Carrier, or in time for any particular market or otherwise than with reasonable dispatch. Selection of Water Carriers, Railways, Motor, Barge or Air Carrier used for all or any portion of the transportation of the goods shall be within the sole discretion of the Ocean Carrier.
3. Any Additional Charges which may be imposed upon the cargo by Governmental Authorities will be for the account of the cargo.
4. NRAs do not include Marine Insurance or Consular fees.
5. Description of commodities shall be uniform on all copies of the Bill of Lading and MUST be in conformity with the validated United States Export Declaration covering the shipment. Carrier must verify the Bill of Lading description with the validated United States Export Declaration. Shipper amendments in the description of the goods will only be accepted if validated by United States Customs. Trade names are not acceptable commodity descriptions and shippers are required to declare their commodity by its generally accepted generic or common name.
6. Unless otherwise specified, when NRAs are based on the value of the commodity, such commodity value will be the F.O.B. or F.A.S. value at the port of loading as indicated on the Commercial Invoice, the Custom Entry, the Import/Export Declaration or the Shipper's Certificate of Origin. The F.O.B. value and the F.A.S. value include all expenses up to delivery at the Loading Port.
7. The NRA shown except where predicated on specifically lower values or on an ad valorem basis, are subject to Bill of Lading limit of value.

8. Except as otherwise provided, NRAs apply only to the specific commodity named and cannot be applied to analogous articles.
9. FORCE MAJEURE CLAUSE: "Without prejudice to any rights or privileges of the Carrier's under covering Bills of Lading, dock receipts, or booking contracts or under applicable provisions of law, in the event of war, hostilities, warlike operations, embargoes, blockades, port congestion, strikes or labor disturbances, regulations of any governmental authority pertaining thereto or any other official interferences with commercial intercourse arising from the above conditions and affecting the Carrier's operations, the Carrier reserves the right to cancel any outstanding booking or contract in conformity with Federal Maritime Commission Regulations."
10. Any Tollage, Wharfage, Handling and/or other charges assessed against the cargo at Ports of Loading/Discharge will be for the account of the cargo. Rule 2-035: Ocean Carrier Spot Pricing - Congestion Fees - Revenue Recovery Surcharges - Space Arrangement Fees

Effective: 25MAY2022 Thru: NONE Expires: NONE Publish: 25MAY2022

1. Ocean Carriers during the pandemic period commencing on or about February 2020 and currently in place for so long as port congestion is occurring in the United States and globally, have been imposing charges in congested port areas in addition to base rate and sur-charges applicable to Carrier's service contract with ocean carriers in either or both of the following manners:

a. By imposing newly negotiated rate structures as a pre-condition to loading cargo previously tendered by Carrier or its agent, whereby, said Ocean Carrier will not load such cargo unless Carrier accepts such increased base spot rates, or

b. By imposing newly structured sur-charges with nominations such as, but not limited to "Revenue Recovery Surcharges", "Space Arrangement Fees", and other similar titles to indicate charges over and above those in place during the negotiations of the service contract, which are imposed as charges as a pre-condition to acceptance of cargo in a congested port, notwithstanding the negotiated service contract rates and/or surcharges were in place at the time the cargo was tendered to the Ocean Carriers by Carrier or its agent.

c. The term Spot Rates shall apply to either or both procedures defined in Paragraph 1. a) and b) above.

1. Carrier, in view of the Spot Rates practices developed by Ocean Carriers during the pandemic period, shall in order to provide consistency and predictability of transport shall accept such Spot Rates to the extent that not accepting same would lead to non-delivery of cargo, and/or port demurrage and other charges, unless Shipper shall decide and will timely notify Carrier that it is abandoning such cargo, at which time Carrier may take whatever steps necessary in terminating transport and/or asserting liens and effecting the sale of such cargo. To the extent that such cargo is not appropriately abandoned as provided herein, and the sale of the cargo does not cover the freight monies and other charges due to Carrier, Shipper shall remain responsible to Carrier for such charges.

2. Carrier shall define and treat such Spot Rates as Ocean Carrier General Rate Increases ("GRIs"), a term not otherwise defined in the Federal Maritime Commission's regulations. GRIs shall include charges implemented by Ocean Carriers as defined in the term Spot Rates herein. As such, pursuant to 46 CFR §532.5 (d) (2) (iv) such Spot Rates are not included in a Negotiated Rate Arrangement nor a Rules Tariff and shall be charged as a pass-through without a markup by Carrier.

3. To the extent that the increased rates and/or charges imposed by the ocean common carriers are not considered GRIs for whatever reason, Shipper agrees that these increases are an acceptable amendment to the pertinent NRA.

AMENDMENT NO. O

Rule 2-060: Measurement and Weight

Effective: 25MAY2022 Thru: NONE Expires: NONE Publish: 25MAY2022

Tariff reference to "W" and "M" signify 1,000 kilos and 1 cubic meter respectively. Whenever freight charges are assessed on a W/M "weight or measurement" basis or where rates are provided on both a "W" and "M" basis, the freight charges will be computed on the gross weight or the overall measurement of the pieces or packages, whichever computation produces the greater revenue to the Carrier.

1. All packages will be measured in Centimeters and weight in Kilograms.

2. Rounding off- Dimensions

Where parts of centimeter occur in dimensions, such parts below 0.5 cm. are to be ignored, and those of 0.5 cm. And over are to be rounded off to the centimeter above.

3. Calculating Cubic Measurements

The three dimensions in centimeters (rounded off in accordance with (2)) are to be multiplied together to produce the cube of one package or piece in cubic meters to six decimals.

In case of a single package the decimals are to be rounded off at the second decimal, i.e., if the third decimal is below 5 the second decimal remains unaltered; if the third decimal is 5 or higher the second decimal is to be adjusted upwards.

In the case of multiple packages of like dimensions, the cube on one package to six decimals is to be multiplied by the number of packages and the total cube is then to be rounded off to two decimals under the foregoing procedure.

4. Official Measurers and Weighers

The straight loaded shipments of consolidator Cargo, stuffed at Carrier's nominated off dock CY locations, does not require measuring/weighing for purposes of confirming volume/weight of cargo. For such shipments, however, there must be a certificate from an officially appointed Sworn Measurer to confirm the exact location at which the shipment was stuffed into the container.

5. Misdescription, Underweights and Undermeasurement

A. The carrier at loading port will assess freight on the shipments on the basis of the gross weights and/or measurements declared or deemed to have been declared by Shippers. Such assessment is subject to the terms and conditions of the carrier's Bill of Lading. Notwithstanding the foregoing Carrier may arrange at the port/point of destination for the verification of the description, measurement or weights of all such shipments as they, at their sole discretion, may decide and in all such cases the description, measurements or weights so obtained shall be used for determining the correct amount of freight which has to be paid and expense incurred should be for account of cargo.

B. If the gross weights and/or measurements declared by the Shippers are less than those ascertained and if the Shippers, by notification to the Carrier, within seven (7) days of the vessels sailing from port of loading or the consignees, by notification to the Carrier prior to the shipment leaving the custody of the Carrier, maintain that the gross weights and/or measurements stated by them are correct, freight shall be assessed provisionally on the controllers' figures and subsequently adjusted, if necessary, after an outturn reweighing and/or re-measuring. If such outturn re-weighting, re-measuring and/or resurveying shows that the gross weights, measurements and/or description were understated and/or misdeclared by the Shippers, re-measuring and/or resurveying shall be for the account of the cargo.

Shipper/Consignee for CY origin shipments shall be jointly severally and absolutely liable for any fine, penalty or other sanction imposed upon carrier, its agent or motor/rail carrier by authority for exceeding lawful over-the-weight limitations in connection with any transportation services provided under this tariff and occasioned by any act of commission or omission of the shipper/consignee, its agent or contractors, and without regard to intent, negligence or any other factor. When carrier pays any such fine or penalty and assumes any other cost or burden, arising from such an event, it shall be on behalf of and for benefit of the cargo interest and carrier shall be entitled to full reimbursement therefore upon presentation of an appropriate invoice. Nothing in this rule shall require carrier, its agents or motor/rail carrier to resist, dispute or otherwise oppose the levy of such a fine, penalty or other sanction and carrier shall not have any liability to the cargo interest should it not do so. Effective: 25MAY2022 Thru: NONE Expires: NONE Publish: 25MAY2022

A request for diversion of a shipment will be considered as an amendment to the contract of carriage and will be subject to the following definitions, conditions, and charges:

A. Definition of Diversion:

Any change in the original billed destination (which may also include a change in Consignee, order party, or both). A change in Consignee, order party or both will not be considered as diversion of cargo.

B. Conditions:

1. Requests must be received in writing by the carrier prior to the arrival of the vessel at Discharge Port. Carrier will make diligent effort to execute the request but will not be responsible if such service is operationally impractical or cannot be provided.

2. Cargo moving under a non-negotiable Bill of Lading may be diverted at the request of shipper or consignee. Cargo moving under a negotiable Bill of Lading may be diverted by any party surrendering the properly endorsed original Bill of Lading. Cargo moving under a negotiable Bill of Lading may also be diverted by the shipper or consignee at the carrier's sole discretion without receipt by the carrier of the original negotiable Bill of Lading so long as a new negotiable Bill of Lading is not requested or issued by the carrier. If a new negotiable Bill of Lading is requested by the shipper or consignee, the original negotiable Bill of Lading must be surrendered to the carrier prior to issuance of the new negotiable Bill of Lading.

3. This rule will apply to full Bill of Lading quantities or full container loads only.

4. A shipment may only be diverted once. Shipper may request cancellation of the original diversion request, resulting in delivery of the cargo to the original billed destination, provided that such request is received prior to arrival of vessel at Discharge Port, and provided that all diversion charges as set out in C. below, applicable to the original diversion request, are paid in full prior to the cancellation request being accepted by the carrier. In no instance will any refund of the diversion charges be made in the event of a cancellation. Any additional expenses incurred by the carrier will be for the account of the cargo.

5. Cargo, which, upon request of Merchant (stowage permitting), is diverted to a Port of Discharge within the Scope of this Tariff other than that shown in the Bill of Lading, shall be assessed the actual amount of expense incurred by Carrier, or as per carrier tariff at time of shipment, whichever is higher, plus, at the sole discretion of the Carrier, depending on the relevant administrative burdens resulting from the diversion, an administrative fee of up to $50/BL for cargo received and diversion requested prior to vessel departure, or up to $300/BL for cargo received and diversion requested post vessel departure, from origin port.

6. Diversion charges or administrative charge are payable by the party requesting the diversion.

Rule 2-170:	SUBMISSION OF CARGO DECLARATION DATA

Effective: 25MAY2022 Thru: NONE Expires: NONE Publish: 25MAY2022

A. SUBMISSION OF CARGO DECLARATION DATA; DEADLINE FOR SAME.

Pursuant to Customs regulations effective December 2, 2002, Carrier is required to submit certain cargo declaration data for all cargo on board a vessel that will call in the United States (i.e., U.S. import cargo and foreign destination cargo remaining on board the vessel) to the U.S. Customs Service not later than 24 hours prior to the time the cargo is loaded on Carrier's vessel at each non-U.S. port of loading. In order to enable Carrier to comply with this requirement, except as provided in paragraph B of this rule, any person tendering cargo to Carrier that is to be transported to the United States or that will be on a vessel when that vessel calls in the United States must provide the following information regarding such cargo to Carrier in writing (including by electronic transmission) in sufficient time for Carrier to transmit the data to the Customs Service at least 24 hours prior to the loading of the cargo on Carrier's vessel. Failure to comply with these requirements will result in cargo not being loaded.

1. A precise description of the cargo (or the 6-digit HTS number under which cargo is classified) and weight of the cargo or, for a sealed container, the shipper's declared description and weight of the cargo. The quantity of cargo shall be expressed in the lowest external packaging unit (e.g., a container containing 10 pallets with 200 cases shall be described as 200 cases). Generic descriptions, including, but not limited to, 'FAK,' 'General Cargo,' 'Chemicals,' 'Foodstuffs,' and terms such as 'Said to Contain' are NOT acceptable descriptions.
2. Shipper's complete name and address, or the identification number issued to the shipper by the U.S. Customs Service upon implementation of the Automated Commercial Environment ('ACE').
3. Complete name and address of the consignee, owner or owner's representative, or its ACE identification number.
4. Internationally recognized hazardous material code when such materials are being shipped.
5. Seal numbers for all seals affixed to the container.

B. TIME FOR SUBMISSION OF DATA BY SHIPPERS TO CARRIER.

Except as otherwise provided below, the time for shipper to submit data to Carrier shall be as follows:

1. Shippers who submit their shipping instructions in paper format will be required to submit their shipping instructions to Carrier no later than seventy-two (72) hours prior to vessel arrival at the foreign port of load. This applies to all U.S. destined cargo as well as cargo intended to be transshipped at a U.S. port and cargo that will remain on the vessel for carriage to a non-U.S. port.

C. CERTAIN NON-VESSEL OPERATING COMMON CARRIERS.

Non-vessel operating common carriers ('NVOCCs') that are licensed by or registered with the FMC and that have obtained Customs bonds may submit the required inbound cargo declaration data directly to the U.S. Customs Service in accordance with Customs Service regulations and guidelines. For purposes of this provision, an NVOCC is registered with the FMC if it has been issued an Organization Number by the FMC, has published a valid and effective rules tariff, and has posted the required financial security with the FMC.

1. Certification. Any NVOCC that submits cargo declaration information directly to the Customs Service shall, unless notified by the Carrier pursuant to subparagraph C(1) above that it is not required to do so, in lieu of the information required to be submitted pursuant to paragraph A of this rule, provide the Carrier, not later than the deadline for shipper submission of cargo information under paragraph B of this rule, with a written certification stating that the required inbound cargo declaration data for its cargo has been transmitted to the U.S. Customs Service in a timely and accurate manner. Such certification shall describe the cargo tendered with sufficient specificity (including container number) that Carrier may readily identify such cargo.
2. NVOCC Co-Loading. For purposes of this paragraph, the term 'Master NVOCC' shall mean the NVOCC that is the customer of the Carrier and tenders co-loaded cargo to the Carrier in its name. In the event the Master NVOCC submits cargo declaration data for co-loaded cargo directly to the Customs Service, it shall do so for all NVOCCs with which it co-loads. In the event the Master NVOCC does not submit cargo declaration data for co-loaded cargo directly to the Customs Service but NVOCCs with which it co-loads transmit cargo declaration data for their cargoes directly to the Customs Service, it shall be the obligation of the Master NVOCC to

SUPERSEDED BY TARIFF NO. 002 CANCELED; TARIFF NO. 003 EFFECTIVE 07/JUL/2023

provide Carrier with the certification described in subparagraph C (1) with respect to all co-loaded cargo tendered to Carrier by the Master NVOCC.
3. All NVOCCs shall be subject to Paragraphs D and E of this rule.
D. FAILURE TO PROVIDE INFORMATION; DENIAL OF PERMISSION TO LOAD CARGO.
1. In the event Carrier fails to provide the required inbound cargo declaration data to the U.S. Customs Service for all cargo to be loaded on its vessel within the time-period required by Customs Service regulations it may, among other things, be assessed a civil penalty, denied permission to unload the cargo for which information was not timely provided, and/or denied permission to unload any cargo from the vessel on which the cargo is moving. Accordingly, Carrier may refuse to load any cargo tendered to it for which it has not received either (i) the data required by paragraph A of this rule by the deadline specified pursuant to paragraph B; or (ii) the certification required by paragraph C of this rule by the deadline specified therein.
2. Any and all costs incurred by Carrier with respect to cargo in its possession which is not loaded due to the non-provision of information or certification, or which is not loaded pursuant to the instructions of the U.S. Customs Service (regardless of whether or not the required data or certification has been provided for such cargo), including but not limited to inspection, storage and/or re-delivery costs, shall be for the account of the cargo. Carrier shall have a lien on cargo in its possession for amounts due hereunder and may hold cargo until such amounts (and any other unpaid freights or charges) are paid or sell such cargo after a reasonable period. In the event Carrier is forced to take legal action to collect amounts due hereunder, Carrier shall be entitled to recover all costs (including reasonable attorneys' fees and expenses) incurred in connection with such legal action.
E. INDEMNIFICATION OF CARRIER.
If Carrier is assessed a civil penalty or fine or is denied permission to unload cargo, because of the failure of any and all shippers, consignees, cargo owners, NVOCCs, shippers' associations and their agent(s) to provide the information required by this rule and/or by the regulations or guidelines of the U.S. Customs Service in a complete and accurate manner, then such shippers, consignees, cargo owners, NVOCCs, shippers' associations and their agent(s)shall be jointly and severally liable to indemnify and reimburse Carrier for any such penalty or fine and any and all costs, damages or liability, direct, indirect, special or consequential, incurred by the Carrier as a result of the denial of permission to unload cargo or any delays related thereto. Carrier shall have a lien on cargo in its possession for amounts due hereunder and may hold cargo until such amounts (and any other unpaid freights or charges) are paid or sell such cargo after a reasonable period. In the event Carrier is forced to take legal action to collect amounts due hereunder, Carrier shall be entitled to recover all costs (including attorneys' fees) incurred in connection with such legal action.
F. CONFIDENTIALITY. Carrier acknowledges that the information required by the Customs Service may constitute confidential information that is not generally available to the public. Carrier, in accordance with the requirements of Section 10(b)(13) of the Shipping Act of 1984, as amended, will keep confidential, to the extent permitted by law, all Shipper bill of lading information, including information related to underlying shippers and commodities in respect of containers of less than container load cargo containing shipments by more than one Shipper.

In the event of any conflict between the terms and conditions of such tariff or tariffs and the Terms and Conditions of this Bill of Lading, this Bill of Lading shall prevail.

3. WARRANTY/ACKNOWLEDGMENT. The Merchant warrants that in agreeing to the Terms and Conditions hereof, it is, or is the agent and has the authority of, the owner or person entitled to the possession of the Goods or any person who has a present or future interest in the Goods.

The Merchant acknowledges that the Carrier is a non-vessel operating common carrier ("NVOCC"), and that it neither owns nor charters vessels, as a result of which the Carrier or any sub-carrier, connecting carrier or substitute carrier (which may be a NVOCC) will be required to contract with an actual ocean carrier to accomplish the Carriage contemplated by this Bill of Lading and does so as agent of the Merchant.

The Merchant further acknowledges that by identifying the carrying Vessel on the face side hereof, it knows or can determine the name of the actual ocean carrier and the terms and conditions of the actual ocean carrier's bill of lading and applicable tariff(s) and agrees to be bound thereby.

4. RESPONSIBILITY

a) Except where the Carriage covered by this Bill of Lading is to or from a port or locality where there is in force a compulsorily applicable ordinance or statute of a nature similar to the International Convention for the Unification of Certain Rules Relating to Bills of Lading, dated at Brussels, August 25, 1924, the provisions of which cannot be departed from, and suit or other proceeding is instituted and litigated in such port or locality, this Bill of Lading shall have effect subject to the Carriage of Goods by Sea Act of the United States ("COGSA"), approved April 16, 1936, and nothing herein contained, unless otherwise stated, shall be deemed a surrender by the Carrier of any of its rights, immunities, exemptions, limitations or exonerations or an increase of any of its responsibilities or liabilities under COGSA or, as the case may be, such compulsorily applicable ordinances or statutes. The provisions of COGSA or such compulsorily applicable ordinances or statutes (except as otherwise specifically provided herein) shall govern before loading on and after discharge from the vessel and throughout the entire time the Goods or Containers or other packages are in the care, custody and/or control of the Carrier, a Participating carrier or independent contractor (inclusive of all subcontractors), their agents and servants, whether engaged by or acting for the Carrier or any other person, as well as during the entire time the Carrier is responsible for the Goods. In the absence of compulsorily applicable legislation, COGSA shall apply during the entire time the Carrier remains responsible hereunder.

b) The Carrier shall not be liable in any capacity whatsoever for any delay, non-delivery, mis-delivery or other loss or damage to or in connection with the Goods or Containers or other packages occurring at any time contemplated under subdivision a) of this Clause.

c) The Carrier shall, irrespective of which law is applicable under subdivision a) of this Clause, be entitled to the benefit of the provisions of Sections 4281 through 4286, inclusive, and 4289 of the Revised Statutes of the United States and amendments thereto.

d) The rights, defenses, exemptions, limitations of and exonerations from liability and immunities of whatsoever nature provided for in this Bill of Lading shall apply in any action or proceeding against the Carrier, its agents and servants and/or any Participating carrier or independent contractor, whether in tort, contract or otherwise.

5. THROUGH TRANSPORTATION. When either the Place of Receipt or Place of Delivery set forth herein is an inland point or place other than the Port of Loading (Through Transportation basis), the Carrier will procure transportation to or from the sea terminal and such inland point(s) or place(s) and, notwithstanding anything in this Bill of Lading contained, but always subject to Clause 4. hereof, the Carrier shall be liable for loss or damage of whatsoever nature and howsoever arising to the following extent, but no further:

a) Upon proof that the loss or damage arose during a part of the Carriage herein made subject to COGSA or other compulsorily applicable legislation, as set forth in Clause 4. a) hereof, said legislation shall apply; or

b) Upon proof that the loss or damage not falling within a) above, but concerning which the law of any country, state or subdivision thereof contains provisions that are compulsorily applicable and would have applied if the Merchant had made a separate and direct contract with the Carrier, a Participating carrier or independent contractor, as referred to herein, relative to a particular stage of transport or other handling wherein the loss or damage occurred and received as evidence thereof a particular receipt or other document, then the liability of the Carrier, Participating carrier and independent contractor shall be subject to the provisions of such law.

c) If it should be determined that the Carrier bears any responsibility for loss or damage occurring during the care, custody and/or control of any Participating carrier or independent contractor, their agents and/or servants, and be subject to law compulsorily applicable to their bills of lading, receipts, tariffs and/or law applicable thereto, then the Carrier shall be entitled to all rights, defenses, immunities, exemptions, limitations of and exonerations from liability of whatsoever nature accorded under such bill of lading, receipt, tariff and/or applicable law, provided however, that nothing contained herein shall be deemed a surrender by the Carrier of any of its rights, defenses and immunities or an increase of any of its responsibilities or liabilities under this Bill of Lading, the Carrier's applicable tariff or laws applicable or relating thereto.

d) Except as hereinabove provided, the Carrier shall have no liability for loss or damage to the Goods.

6. SUBCONTRACTING:BENEFICIARIES

a) The Carrier shall be entitled to subcontract on any terms the whole or any part of the Carriage, loading, unloading, storing, warehousing, handling and any and all duties whatsoever undertaken by it in relation to the Goods or Containers or other packages or any other goods.

b) It is understood and agreed that if it should be adjudged that any person or entity other than or in addition to the Carrier is under any responsibility with respect to the Goods or any other goods, regardless of the port or place where any loss or damage shall occur and without regard to whether the Goods covered hereby or any other goods are being handled or are damaged directly or indirectly during any handling, and even if the Goods or other goods are transported on free in, stowed and/or free out terms, all exemptions, limitations of and exonerations from liability provided by law or by the Terms and Conditions hereof shall be available to all agents, servants, employees, representatives, all Participating (including rail and other inland) carriers and all stevedores, terminal operators, warehousemen, crane operators, watchmen, carpenters, ship cleaners, surveyors and all independent contractors, inclusive of all persons providing any service whatsoever. In contracting for the foregoing exemptions, limitations of and exonerations from liability, the Carrier is acting as agent and trustee for and on behalf of all persons described above, all of whom shall to this extent be deemed to be a party to the contract evidenced by this Bill of Lading, regardless for whom acting or by whom retained and paid, it being always understood that said beneficiaries are not entitled to any greater or further exemptions, limitations of or exonerations from liability than those that the Carrier has under this Bill of Lading in any given situation.

c) The Carrier undertakes to procure such services as necessary and shall have the right at its sole discretion to select any mode of land, sea or air transport and to arrange participation by other carriers to accomplish the total or any part of the carriage from Port of Loading to Port of Discharge or from Place of Receipt to Place of Delivery, or any combination thereof, except as may be otherwise provided herein.

d) The Merchant agrees that the Carrier shall be deemed to be a beneficiary of the actual ocean carrier's bill of lading and of all exemptions, limitations of and exonerations from liability therein contained even though the Carrier acts as agent of the Merchant in contracting with the actual ocean carrier for the Carriage of the Goods. Notwithstanding, under no circumstances shall the Carrier be responsible for any damages to an extent greater than the actual ocean carrier or any beneficiaries of its bill of lading.

e) No agent or servant of the Carrier or other person or class named in subdivision b) hereof shall have power to waive or vary any of the terms hereof unless such waiver or variation is in writing and is specifically authorized or ratified in writing by an officer or director of the Carrier having actual authority to bind the Carrier to such waiver or variation.

7. MERCHANT'S RESPONSIBILITIES/DESCRIPTION OF GOODS

a) The description and particulars of the Goods set out on the face hereof and any description, particular or other representation appearing on the Goods, Container or other packages or documents relating thereto are furnished by the Merchant, and the Merchant warrants to the Carrier that the description, particulars and any representation made including, but not limited to, weight, content, measure, quantity, quality, condition, marks, numbers and value are correct.

b) The Merchant warrants that it has complied with all applicable laws, regulations and requirements of Customs, Port and other Authorities and shall bear and pay all duties, taxes, fines, imposts, expenses and losses incurred or suffered by reason thereof or by reason of any illegal, incorrect or insufficient marking, numbering, addressing or any other particular relative to the Goods.

c) The Merchant further warrants that the Goods are packed in a manner adequate to withstand the ordinary risks of Carriage having regard to their nature and in compliance with all laws, regulations and requirements which may be applicable.

d) No Goods which are or may become dangerous, inflammable or damaging or which are or may become liable to damage any property or person whatsoever shall be tendered to the Carrier for Carriage without the Carrier's prior express consent in writing and without the Container or other covering in which the Goods are to be transported being distinctly marked on the outside thereof so as to indicate the nature and character of any such articles and so as to comply with all applicable laws, regulations and requirements. If any such articles are delivered to the Carrier without such written consent and marking or if in the opinion of the Carrier the articles are or are liable to become of a dangerous, inflammable or damaging nature, the same may at any time be destroyed, disposed of, abandoned or rendered harmless without compensation to the Merchant and without prejudice to the Carrier's right to Charges.

e) The Merchant shall be liable for all loss or damage of any kind whatsoever including, but not limited to, contamination, soiling, detention and demurrage before, during and after the Carriage of property (including but not limited to Containers) of the Carrier or any person or vessel (other than the Merchant) caused by the Merchant or any person acting on its behalf or for which the Merchant is otherwise responsible.

f) The Merchant and the Goods themselves shall be liable for and shall indemnify the Carrier, and the Carrier shall have a lien on the Goods for all expenses of mending, repairing, fumigating, repacking, reconditioning of the Goods and gathering of loose contents, also for expenses for repairing Containers damaged while in the possession of the Merchant, for demurrage on Containers and any payment, expense, fine, dues, duty, tax, impost, loss, damage or detention sustained or incurred by or levied upon the Carrier, Vessel, Goods, Containers or other packages and for any action or requirement of any government or governmental authority or person purporting to act under the authority thereof, seizure under legal process or attempted seizure, incorrect or insufficient marking, numbering or addressing of Containers or other packages or description of the contents, failure of the Merchant to procure consular, Board of Health or other certificates to accompany the Goods or to comply with laws or regulations or any kind imposed with respect to the Goods by the authorities at any port of place or any act or omission of the Merchant. The Carrier's lien shall survive delivery and may be exercised by private or public sale and without notice.

g) The Merchant shall defend, indemnify and hold harmless the Carrier, any Participating carrier, independent contractor, their agents and servants, against any loss, damage, claim, liability or expense whatsoever arising from any breach of the provisions of this Clause 7. or from any other cause for which the Carrier is not ultimately responsible.

8. CONTAINERS.

a) Goods may be stowed by the Carrier in or on Containers, and may be stowed with other goods. Containers, whether stowed by the Carrier or received fully stowed, may be carried on or under deck without notice, and the Merchant expressly agrees that cargo stowed in a Container and carried on deck is considered for all legal purposes to be cargo stowed under deck. Goods stowed in Containers on deck shall be subject to the legislation referred to in Clause 4. hereof and will contribute in General Average and receive compensation in General Average, as the case may be.

b) The Terms and Conditions of this Bill of Lading shall govern the responsibility of the Carrier with respect to the supply of a Container to the Merchant.

c) If a Container has been stuffed by or on behalf of the Merchant, the Carrier, any Participating Carrier, all independent contractors and all persons rendering any service whatsoever hereunder shall not be liable for any loss or damage to the Goods, Containers or other packages or to any other goods caused (1) by the manner in which the Container has been stuffed and its contents secured, (2) by the unsuitability of the Goods for carriage in Containers or for the type of Container requested by and furnished to the Merchant, or (3) condition of the Container furnished, which the Merchant acknowledges has been inspected by it or on its behalf before stuffing and sealing.

d) The Merchant shall defend, indemnify and hold harmless the Carrier against any loss, damage, claim, liability or expense whatsoever arising from one or more of the matters covered by a), b) and c) above.

9. CONTAINERS WITH HEATING OR REEFER APPARATUS. Containers with temperature or atmosphere control apparatus for heating, refrigeration, ventilation or otherwise will not be furnished unless contracted for expressly in writing at time of booking and, when furnished, may entail increased Charges. In the absence of an express request, it shall be conclusively presumed that the use of a dry container is appropriate for the Goods.

Merchant must provide Carrier with desired temperature range in writing at time of booking and insert same on the face side of the Bill of Lading, and where so provided, Carrier is to exercise due diligence to maintain the temperature within a reasonable range while the Containers are in its care, custody and/or control or that of any Participating carrier or independent contractor. The Carrier does not accept any responsibility for the functioning of temperature or atmosphere-controlled Containers not owned or leased by Carrier or for latent defects not discoverable by the exercise of due diligence.

Where the Container is stuffed or partially stuffed by or on behalf of the Merchant, the Merchant warrants that it has properly pre-cooled the Container, that the Goods have been properly stuffed and secured within the Container and that the temperature controls have been properly set prior to delivery of the Container to the Carrier, its agents, servants, or any Participating carrier or independent contractor. The Merchant accepts responsibility for all loss or damage of whatsoever nature resulting from a breach of any of these warranties, including but not limited to other cargo consolidated in the Container with the Merchant's Goods or to any other cargo, property or person damaged or injured as a result thereof, and the Merchant agrees to defend, indemnify and hold the Carrier, Participating carriers and independent contractors, their agents and servants, harmless from and against all claims, suits, proceedings and all other consequences thereof regardless of their nature and merit.

10. CARRIER'S EQUIPMENT:INDEMNITY. Whenever the Merchant, or an agent, servant, contractor or anyone else acting on its behalf, directly or indirectly, takes possession of or exercises control over a Container and/or any equipment whatsoever owned or leased by, or the use of which is provided to, the Carrier, any Participating Carrier, their agents, servants or independent contractors, the Merchant agrees to defend, indemnify and hold harmless the Carrier, any Participating Carrier, their agents, servants and independent contractors from and against any loss or damage to said Container and equipment, as well as to any third-party property, and for any injury to or death of persons arising out of the use of said Container and equipment.

11. OPTION OF INSPECTION. The Carrier and any Participating carrier shall be entitled, but under no obligation, to open any Container at any time and to inspect the contents. If it thereupon appears that the contents or any part thereof cannot safely or properly be carried or carried further, either at all or without incurring any additional expense, the Carrier and Participating carrier may abandon the transportation thereof and/or take any measures and/or incur any reasonable additional expenses to continue the Carriage or to store the Goods, which storage shall be deemed to constitute due delivery under this Bill of Lading. The Merchant shall indemnify the Carrier against any reasonable additional Charges so incurred.

12. DECK CARGO. Deck cargo (except that carried in Containers on deck) and live animals are received and carried solely at Merchant's risk (including accident or mortality of animals), and the Carrier will not in any event be liable for any loss or damage for or from which he is exempt, immune or exonerated by applicable law, or from any other cause whatsoever not due to the fault of the Carrier, any warranty of seaworthiness in the premises being hereby waived, and the burden of proving liability being in all respects upon the Merchant. Except as may be otherwise provided, such shipments shall be deemed Goods and shall be subject to all Terms and Conditions of this Bill of Lading.

13. METHODS AND ROUTES OF TRANSPORTATION. With respect to the Goods or Containers or other packages, the Carrier may at any time and without notice to the Merchant:

a) use any means of transport (water, land and/or air) or storage whatsoever;

b) forward, transship or retain on board or carry on another vessel or conveyance or by any other means of transport than that named on the reverse side hereof;

c) carry Goods on or under deck at its option;

d) proceed by any route in its sole and absolute discretion and whether the nearest, most direct, customary or advertised route or in or out of geographical rotation;

e) proceed to or stay at any place whatsoever once or more often and in any order or omit calling at any port, whether scheduled or not;

f) store, vanned or devanned, at any place whatsoever, ashore or afloat, in the open or covered;

g) proceed with or without pilots;

h) carry livestock, contraband, explosives, munitions, warlike stores, dangerous or hazardous goods or goods of any and all kinds;

i) drydock or stop at any unscheduled or unadvertised port for bunkers, repairs or for any purpose whatsoever;

j) discharge and require the Merchant to take delivery, vanned or devanned;

k) comply with any orders, directions or recommendations given by any government or authority or by any person or body acting or purporting to act with the authority of any government or authority or having under the terms of the insurance on the vessel or other conveyance employed by the Carrier the right to give such orders, directions or recommendations.

l) take any other steps or precautions as may appear reasonable to the Carrier under the circumstances.

The liberties set out in subdivisions a) through l) may be invoked for any purpose whatsoever even if not connected with the Carriage covered by this Bill of Lading, and any action taken or omitted to be taken, and any delay arising therefrom, shall be deemed to be within the contractual and contemplated Carriage and not be an unreasonable deviation.

In no circumstance whatsoever shall the Carrier be liable for direct, indirect or consequential loss or damage caused by delay.

14. MATTERS AFFECTING PERFORMANCE. In any situation whatsoever and wheresoever occurring and whether existing or anticipated before commencement of, during or after the Carriage, which in the judgment of the Carrier is likely to give rise to any hindrance, risk, capture, seizure, detention, damage, delay, difficulty or disadvantage or loss to the Carrier or any part of the Goods, or make it unsafe, imprudent, impracticable or unlawful for any reason to receive, keep, load, carry or discharge them or any part of them or commence or continue the Carriage or disembark passengers at the port of Discharge or at the usual or intended place of discharge or delivery, or to give rise to danger, delay or difficulty of whatsoever nature in proceeding by the usual or intended route, the Carrier and any Participating carrier, without notice to the Merchant, may decline to receive, keep, load, carry or discharge the Goods, or may discharge the Goods and may require the Merchant to take delivery and, upon failure to do so, may warehouse them at the risk and expense of the Merchant and Goods or may forward or transship them as provided in this Bill of Lading, or the Carrier may retain the Goods on board until the return of the Vessel to the Port of Loading or to the Port of Discharge or any other point or until such time as the Carrier deems advisable and thereafter discharge them at any place whatsoever. In such event, as herein provided, such shall be at the risk and expense of the Merchant and Goods, and such action shall constitute complete delivery and performance under this contract, and the Carrier shall be free from any further responsibility. For any service rendered as herein above provided or for any delay or expense to the Carrier or Vessel caused as a result thereof, the Carrier shall, in addition to full Charges, be entitled to reasonable extra compensation, and shall have a lien on the Goods for same. Notice of disposition of the Goods shall be sent to the Merchant named in this Bill of Lading within a reasonable time thereafter.

All actions taken by the Carrier hereunder shall be deemed to be within the contractual and contemplated Carriage and not be an unreasonable deviation.

15. DELIVERY. If delivery of the Goods or Containers or other packages or any part thereof is not taken by the Merchant when and where and at such time and place as the Carrier is entitled to have the Merchant take delivery, whether or not the Goods are damaged, they shall be considered to have been delivered to the Merchant, and the Carrier may, at its option, subject to its lien and without notice, elect to have same remain where they are or, if containerized, devanned and sent to a warehouse or other place, always at the risk and expense of the Merchant and Goods.

If the Goods are stowed within a Container owned or leased by the Carrier, the Carrier shall be entitled to devan the contents of any such Container, whereupon the Goods shall be considered to have been delivered to the Merchant, and the Carrier may, at its option, subject to its lien and without notice, elect to have same remain where they are or sent to a warehouse or other place, always at the risk and expense of the Merchant and Goods.

At ports or places where by local law, authorities or custom, the Carrier is required to discharge cargo to lighters or other craft or where it has been so agreed or where wharves are not available which the Vessel can get to, be at, lie at, or leave, always safely afloat, or where conditions prevailing at the time render discharge at a wharf dangerous, imprudent, or likely to delay the Vessel, the Merchant shall promptly furnish lighters or other craft to take delivery alongside the Vessel at the risk and expense of the Goods. If the Merchant fails to provide such lighters or other craft, Carrier, acting solely as agent for the Merchant, may engage such lighters or other craft at the risk and expense of the Merchant and Goods. Discharge of the Goods into such lighters or other craft shall constitute proper delivery, and any further responsibility of Carrier with respect to the Goods shall thereupon terminate.

16. CHARGES, INCLUDING FREIGHT. The Charges payable hereunder have been calculated on the basis of particulars furnished by or on behalf of the Merchant. The Carrier shall, at any time, be entitled to inspect, reweigh, remeasure or revalue the contents and, if any of the particulars furnished by the Merchant are found to be incorrect, the Charges shall be adjusted accordingly, and the Merchant shall be responsible to pay the correct Charges and all expenses incurred by the Carrier in checking said particulars or any of them.

Charges shall be deemed earned on acceptance of the Goods or Containers or other packages for shipment by the Carrier and shall be paid by the Merchant in full, without any offset, counterclaim or deduction, cargo and/or vessel or other conveyance lost or not lost, and shall be non-returnable in any event.

The Merchant shall remain responsible for all Charges, regardless whether the Bill of Lading states, in words or symbols, that it is "Prepaid," "To be Prepaid" or "Collect."

In arranging for any services with respect to the Goods, the Carrier shall be considered the exclusive agent of the Merchant for all purposes, and any payment of Charges to other than the Carrier shall not, in any event, be considered payment to the Carrier.

The Merchant shall defend, indemnify and hold the Carrier, any Participating carrier, independent contractor, their agents and servants, harmless from and against all liability, loss, damage and expense which may be sustained or incurred relative to the above.

17. CARRIER'S LIEN. The Carrier shall have a lien on the Goods, inclusive of any Container owned or leased by the Merchant, and all equipment and appurtenances thereto, as well as on any Charges due any person, and on any documents relating thereto, which lien shall survive delivery, for all sums due under this contract or any other contract or undertaking to which the Merchant was party or otherwise involved, including, but not limited to, General Average contributions, salvage and the cost of recovering such sums, inclusive of attorneys' fees. Such lien may be enforced by the Carrier by public or private sale at the expense of and without notice to the Merchant.

The Merchant agrees to defend, indemnify and hold the Carrier, any Participating carrier, independent contractor, their agents and servants, harmless from and against all liability, loss, damage or expense which may be sustained or incurred by the Carrier relative to the above and the Merchant agrees to submit to the jurisdiction of any court, tribunal or other body before whom the Carrier may be brought, whether said proceeding is of a civil or criminal nature.

18. RUST. It is agreed that superficial rust, oxidation or any like condition due to moisture is not a condition of damage but is inherent to the nature of the Goods. Acknowledgement of receipt of the Goods in apparent good order and condition is not a representation that such conditions of rust, oxidation or the like did not exist on receipt.

19. GENERAL AVERAGE

a) If General Average is declared, it shall be adjusted according to the York/Antwerp Rules of 1994 and all subsequent amendments thereto from time to time made, at any place at the option of any person entitled to declare General Average, and the Amended Jason Clause as approved by BIMCO is to be considered as incorporated herein, and the Merchant shall provide such security as may be required in this connection.

b) Notwithstanding a) above, the Merchant shall defend, indemnify and hold harmless the Carrier and any Participating carrier, their agents and servants, in respect of any claim (and any expense arising therefrom) of a General Average nature which may be made against the Carrier and/or any Participating carrier and shall provide such security as may be required by the Carrier in this connection.

c) Neither the Carrier nor any Participating carrier shall be under any obligation to take any steps whatsoever to post security for General Average or to collect security for General Average contributions due to the Merchant.

20. LIMITATION OF LIABILITY. Except as otherwise provided in this Clause or elsewhere in this Bill of Lading, in case of any loss or damage to or in connection with cargo exceeding in actual value the equivalent of $500 lawful money of the United States, per package, or in case of cargo not shipped in packages, per shipping unit, the value of the cargo shall be deemed to be $500 per package or per shipping unit. The Carrier's liability, if any, shall be determined on the basis of a value of $500 per package or per shipping unit or pro rata in case of partial loss or damage, unless the nature of the cargo and valuation higher than $500 per package or per shipping unit shall have been declared by the Merchant before shipment and inserted in this Bill of Lading, and extra freight paid if required. In such case, if the actual value of the cargo per package or per shipping unit shall exceed such declared value, the value shall nevertheless be deemed to be declared value and the Carrier's liability, if any, shall not exceed the declared value.

The words "shipping unit" shall mean each physical unit (e.g., container, bundle, pallet, etc.) or piece of cargo not shipped in a package, including articles or things of any description whatsoever, except cargo shipped in bulk, and irrespective of the weight or measurement unit employed in calculating freight and related charges.

As to cargo shipped in bulk, the limitation applicable thereto shall be the limitation provided in Section 1304(5) of COGSA, or such other legislation, convention or law as may be compulsorily applicable, and in no event shall anything herein be construed as a waiver of limitation as to cargo shipped in bulk.

Where a Container is not stuffed by or on behalf of the Carrier or the parties characterize the Container as a package or a lump sum freight is assessed, in any of these events, each individual such Container, including in each instance its contents, shall be deemed a single package and Carrier's liability limited to $500 with respect to each such package, except as otherwise provided in this Clause or elsewhere in this Bill of Lading with respect to each such package. In the event this provision should be held invalid during that period in which compulsory legislation shall apply of its own force and effect, such as during the tackle-to-tackle period, it shall nevertheless apply during all non-compulsory periods such as, but not limited to, all periods prior to loading and subsequent to discharge from the Vessel and during the entire time for which the Carrier remains responsible for the Goods.

Where compulsorily applicable legislation provides a limitation less than $500 per package or shipping unit, such lesser limitation shall apply and nothing herein contained shall be construed as a waiver of a limitation less than $500.

Further, where a lesser monetary limitation is applicable, such as during handling by a Participating carrier or independent contractor and damage occurs during its or their period of care, custody, control and/or responsibility, the Carrier shall be entitled to avail itself of such lesser limitation

21. NOTICE OF CLAIM; TIME FOR SUIT. As to any loss or damage presumed to have occurred during the Carrier's period of responsibility, the Carrier must be notified in writing of any such loss or damage or claim before or at the time of discharge/removal of the Goods by the Merchant or, if the loss or damage is not then apparent, within 3 consecutive days after discharge/delivery or the date when the Goods should have been discharged/delivered. If not so notified, discharge, removal or delivery, depending upon the law applicable, shall be prima facie evidence of discharge/delivery in good order by the Carrier of such Goods.

In any event, the Carrier shall be discharged from all liability of whatsoever nature unless suit is brought within 1 year after delivery of the Goods or the date when the Goods should have been delivered, provided however, that if any claim should arise during a part of the transport which is subject by applicable law and/or tariff and/or contract to a period for notice of claim or commencement of suit, any liability whatsoever of the Carrier shall cease unless proper claim is made in writing and suit is brought within such shorter period.

Suit shall not be deemed "brought" unless jurisdiction shall have been obtained over the Carrier by service of process or by an agreement to appear. In the event this provision should be held invalid during that period in which compulsory legislation shall apply of its own force and effect, such as during the tackle-to-tackle period, it shall nevertheless apply during all non-compulsory periods during which the Carrier remains responsible for the Goods.

22. JURISDICTION

All disputes of whatsoever nature under or in connection with this Bill of Lading shall be determined by the [insert specific court and location] to the exclusion of any other court PROVIDED ALWAYS that the Carrier may in its absolute and sole discretion invoke or voluntarily submit to the jurisdiction of any other court which, but for the terms of this Bill of Lading, could properly assume jurisdiction to hear and determine such disputes, but such shall not constitute a waiver of the terms of this provision in any other instance.

23. NON-WAIVER AND SEPARABILITY. Nothing in this Bill of Lading shall operate to deprive the Carrier of any statutory protection or any defense, immunity, exemption, limitation of or exoneration from liability contained in the laws of the United States, or of any other country whose laws may be compulsorily applicable. The Terms and Conditions of this Bill of Lading (including all the terms and conditions of the carrier's applicable tariff or tariffs, incorporated herein by virtue of Clause 2. above) shall be separable, and if any part or term hereof shall be held invalid, such holding shall not affect the validity or enforceability of any other part or term hereof.

Ocean carriers whose vessels will be traveling through designated Emission Control Areas (ECA), which may also be designated as China's Emission Control Areas, or by other designations, will be required to use fuel with sulfur content of 0.1% or less, a substantial decrease from the 1.0% concentration fuel currently used in maritime shipping. These areas include the Baltic Sea, English Channel, North Sea, and 200 nautical miles off the U.S. and Canadian coasts, and all cargoes originating from Europe destined to all ports in China, including Hong Kong, and Taiwan (including inland destinations). The surcharge may be termed differently by ocean carriers but the main ingredient in common is that the surcharges are related to the increased price of bunker fuels surcharges. Carrier will be passing these charges to shippers pursuant to this Rule, and if a Negotiated Rate Arrangement has been utilized, these surcharges shall be passed on to shippers pursuant to 46 C.F.R. §532.5 (d) (2)(ii).

Rule 14:	Co-Loading in Foreign Commerce

Effective: 25MAY2022 Thru: NONE Expires: NONE Publish: 25MAY2022

Definition: Pursuant to 46 CFR §520.2, "Co-Loading" means the combining of cargo by two or more NVOCCs for tendering to an ocean common carrier under the name of one or more of the NVOCCs.

(1) The Carrier from time-to-time tenders' cargo for co-loading.

(2) The Carrier may enter into carrier-to-shipper relationships for the co-loading of cargo with the following NVOCCs from time to time:

(3) If Carrier enters into a co-loading arrangement which results in a shipper-to-carrier relationship as a tendering NVOCC Carrier shall be responsible to pay any charges for the transportation of the cargo.

(4) A shipper-to-carrier relationship shall be presumed to exist where Carrier issues a bill of lading to the tendering NVOCC for carriage of the co-loaded cargo unless Carrier and the tendering NVOCC enter a Carrier-to-Carrier Agreement in which case the presumption of a formation of a Carrier to Shipper relationship is rebutted. Carrier's NRA procedures shall be applicable to all co-loading NVOCCs tendering cargo to Carrier as a shipper.

(5) In case of co-loading, under a shipper-to-carrier relationship, Carrier shall notify shipper of such co-loading action and shall annotate each Bill of Lading with the identity of any other NVOCC with which its shipment has been co-loaded. Such annotation shall be shown on the face of the applicable Bill of Lading issued by Carrier.

(6) If cargo is accepted by Carrier from another NVOCC which tenders that cargo in the capacity of a shipper, NRA procedures shall apply.

Further, it is the Shipper's responsibility to assure that all pieces, packages and units in the shipment are clearly and properly marked with the required labels and placards.
